

Fire-Emergency

- Activate the nearest fire pull alarm and immediately notify JCCC Campus Police at ext. 4111 or call 911.
- Whenever the fire alarms and/or sprinkler systems are activated, promptly and calmly evacuate using the nearest exit and report to the designated emergency assembly area.
- Do not use elevators.
- Take necessary personal items (coats, purses, keys, etc.) with you, as you may not be allowed to return to the building.
- Be aware of others in your area (or those you are responsible for) and inform them to evacuate as well.
- Follow directions given by emergency building personnel.
- Remain in the emergency assembly area until released by JCCC Campus Police or the Overland Park Fire Department.

Campus Violence

- No matter where you are, be familiar with your surroundings and know your escape routes. Do not be an easy target. When faced with a violent intruder, increase your chances of survival by remembering your **ALICE** options. Never give up!
- Alert, listen for/or receive specific, real-time information and notify Campus Police at ext. 4111 or call 911.
- Lockdown or shelter in place by locking down and barricading entry points. Get low to the floor, spread out and turn off lights.
- Inform, listen for or give real-time updates by any communication means possible.
- Counter the attacker as a last resort by movement, noise, distraction and SWARM.
- Evacuate, get out and put distance between you and the intruder. Do not go to your car, evacuate on foot. Seek assistance at a rally point, stay alert to College information.

Weather Warnings

- Stay alert to severe weather conditions.
- Stay away from windows and exterior doors.
- In the event of a tornado warning, external warning sirens will be activated followed by a public address system announcement alerting of the need to take immediate shelter.
- Promptly move to a designated storm security area.
- Remain in the storm security area until a warning expiration message is issued via the public address system.
- If the facility is damaged, evacuate the area after the storm passes (following direction of emergency building personnel) and stay clear of the damaged area. Be aware of fallen
